

BASEBALL FIELD RENTAL AVAILABLE

CONVENIENT LOCATION IN WHITMORE LAKE

- Are you showing up to your field and there's a 6 inch hold dug out at the mound AND home plate? Are your bases not in, or not at the correct distance? Can't get out of work in time to drag, chalk and prep your field. Are you and your coaches spending your time prepping your field instead of working with your players before the game.

Our fields will have bases at the correct distance, infield is dragged, grass mowed, and lines are chalked. **READY TO PLAY.** Spend more time before your game working with your kids!

- Driving 2 hours each way to play 1 game? Fowlerville to Livonia? Fenton to Adrian? Weekday drive times over an hour in rush hour traffic to play? Ugh!

We have a convenient middle of the road location. Right off US 23 Between Brighton and Ann Arbor. Save time and gas and meet your opponent in the middle for a weekend doubleheader.

- Having trouble finding baseball fields because the "big guys" have taken all the fields? - We have fields available for all age groups 8U to 18U
- Looking to add locations to host your weekend tournaments? 5 plus fields available. Add a new location

We have partnered with Whitmore Lake Schools to offer their Baseball Field for rent, offering well-groomed fields at a convenient, central location. **FIRST COME FIRST SERVE! RESERVE YOUR FIELDS EARLY! GET THE DAYS YOU WANT.**
